Hoag Digestive Health Institute Presents

Digestive Health Symposium

October 2 – 3, 2026

Hyatt Regency Irvine
Orange County, California

Conference Venue and Accommodations

Hyatt Regency Irvine, Orange County, California

Hoag's Digestive Health Symposium will be held at Hyatt Regency located in Irvine, California. The Hyatt Regency is conveniently located one hour from Los Angeles International Airport (LAX) and just minutes away from John Wayne Airport, Orange County (SNA).

A discounted room block has been secured for this meeting until Thursday, September 10th, 2026. Room block rates for this conference begin at \$225 + taxes, per evening. Rooms are based on availability and subject to being sold out. To make room accommodations, please call 402-952-1166 and ask for group code G-HDHS, or go to www.hoag.org/dhi2026 and click on the "HOTEL" tab for the booking link.

While staying at the Hyatt Regency Irvine, you will enjoy a central location with convenient access to Orange County's premier coastal and cultural attractions – an ideal setting for the October 2 – 4, 2026 weekend. Just minutes away, Newport Beach offers waterfront dining, sandy beaches, and harbor cruises, while the scenic coastline and art galleries of Laguna Beach provide a relaxed coastal escape. For arts and shopping, the Segerstrom Center for the Arts and South Coast Plaza are less than 10 minutes away, and Disneyland Park & Disney California Adventure Park are minutes away. On October 3 – 4, experience the thrilling aerial performances of the U.S. Air Force Thunderbirds and the Canadian Forces Snowbirds at the Pacific Airshow in Huntington Beach – just 25–30 minutes from the hotel. This premier event is complimentary and open to the public.

Educational Objectives

- Apply current evidence-based guidelines to the diagnosis and management of foregut disorders, pancreaticobiliary diseases, colon and liver conditions, and obesity-related pathology.
- Describe the latest advances in endoscopic, surgical, and pharmacologic therapies across the digestive health spectrum.
- Interpret emerging translational research and its implications for clinical practice.
- Develop multidisciplinary treatment strategies for complex gastrointestinal and hepatic conditions.
- Recognize the role of behavioral health, nutrition, and the microbiome in the prevention and management of digestive diseases.

Accreditation

Hoag Memorial Hospital Presbyterian is accredited by the California Medical Association (CMA) to provide continuing medical education for physicians.

Credit Designation

Hoag Memorial Hospital Presbyterian designates this educational activity for the maximum of 13.25 *AMA PRA Category 1 Credits™*. Physicians should claim credit commensurate with the extent of their participation in the activity. This credit can apply to the CMA Certification of Continuing Medical Education.

Board of Registered Nursing

This conference has been approved by the California Board of Registered Nursing, with provider number 17163, for a total of 12 Contact Hours (6.0 for Friday and 6.0 for Saturday), of continuing education credit for registered nurses.

Conference *Overview*

Live cases, expert-led presentations, and interactive panel discussions will showcase nationally and internationally recognized leaders in digestive health. This program is designed for primary care physicians, gastroenterologists, general surgeons, advanced practice providers, and nurses, and will feature comprehensive, clinically relevant sessions spanning foregut disorders, motility, pancreaticobiliary disease, bariatrics, hepatology, inflammatory bowel disease (IBD), and colorectal care—equipping providers across the care continuum with practical insights to support patient management. Upon completion, participants will be equipped with updated, evidence-based strategies to optimize patient outcomes across the continuum of digestive care.
