Hoag Digestive Health Institute Presents

Digestive Health Symposium

October 2 – 3, 2026

Hyatt Regency Irvine
Orange County, California

Program Director

Christy M. Dunst, MD, FACS, FAFS
Division Chief, Foregut Surgery
Hoag Digestive Health Institute

Keynote Presenter

**Lee L. Swanström MD, FACS, FASGE,
FRCSEng**
Professor, IHU-Strasbourg/IRCAD-Taiwan/OHSU

October 2 – 3, 2026

Hyatt Regency Irvine, Orange County, California

Live cases, expert-led presentations, and interactive panel discussions will showcase nationally and internationally recognized leaders in digestive health.

This program is designed for primary care physicians, gastroenterologists, general surgeons, advanced practice providers, and nurses, and will feature comprehensive, clinically relevant sessions spanning foregut disorders, motility, pancreaticobiliary disease, bariatrics, hepatology, inflammatory bowel disease (IBD), and colorectal care – equipping providers across the care continuum with practical insights to support patient management.
