

2025 Structural Heart Multidisciplinary Case Conference

July 3, 2025 | 7:00 AM – 8:00 AM

Hoag Allumbaugh Conference Room

DESCRIPTION

Foster an attitude of life-long learning and critical training skills needed to provide cardiovascular care and incorporate new developments

OBJECTIVES

- 1 Apply the current standards of cardiovascular care and clinical practice guidelines to optimize the management of patients with valvular disease.
- 2 Communicate the importance of a multidisciplinary approach and improve the collaborative performance of the interprofessional Structural Heart Care Team in the management of patients with Heart failure due to valvular disease.
- 3 Review new, emerging, and novel therapeutic agents and treatment strategies and incorporate these into the management of patients with heart valve disease.

ACCREDITATION

Hoag Memorial Hospital Presbyterian is accredited by California Medical Association (CMA) to provide continuing medical education for physicians.

CREDIT DESIGNATION
