

# 2025 Head & Neck Cancer Case Conference

## 2025 Head & Neck Cancer Case Conference

July 30, 2025 | 12:30 PM – 1:30 PM

Hoag Radiation Oncology Library

### DESCRIPTION

Head and Neck Tumor Boards are case-based conferences where an audience of multidisciplinary healthcare professionals discuss and apply the current standards of oncology care and clinical practice guidelines to optimize the management of patients with Head and Neck cancer.

Objective(s): 1 Apply the current standards of oncology care and clinical practice guidelines to optimize the management of patients with Head & Neck cancer. 2 Review new, emerging, and novel therapeutic agents and treatment strategies and incorporate these into the management of patients with Head & Neck cancer. 3 Communicate the importance of a multidisciplinary approach and improve the collaborative performance of the interprofessional oncology care team in the management of patients with Head & Neck cancer. 4 Discuss the use of fluoroscopic imaging techniques and equipment, along with associated radiation safety principles, in the management and surveillance of head and neck cancer

Location: Hoag Radiation Oncology Library

Specialties: Family Medicine, General Surgery, Genetics, Oncology, Otolaryngology, Radiation Oncology

### Faculty Disclosures:

Yaser Homsj, MD (Nothing to disclose - 01/28/2025)

Timothy F Kelley, MD (Nothing to disclose - 01/30/2025)
