

2026 Malignant Hematology Case Conference

2026 Malignant Hematology Case Conference -

March 10, 2026 | 12:30 PM – 1:30 PM

Online

DESCRIPTION

Malignant Hematology Tumor Boards are weekly case-based conferences where an audience of multidisciplinary healthcare professionals discuss and apply the current standards of oncology care and clinical practice guidelines to optimize the management of patients with Malignant Hematologic cancers.

OBJECTIVES

- 1 Apply the current standards of oncology care and clinical practice guidelines to optimize the management of patients with malignant hematologic cancer.
- 2 Review new, emerging, and novel therapeutic agents and treatment strategies and incorporate these into the management of patients with malignant hematologic cancer.
- 3 Communicate the importance of a multidisciplinary approach and improve the collaborative performance of the interprofessional oncology care team in the management of patients with malignant hematologic cancer.
