Hoag Family
Cancer Institute

Conference Overview

This accredited nursing conference is designed to address practical issues and clinical challenges that oncology nurses face each day. During this two-day conference, attendees will benefit from an intimate learning environment in which prominent faculty will present the latest in oncology care and provide practical strategies and tools to improve nursing practice and patient outcomes. If your schedule does not allow you to attend this program in-person, a virtual livestream offering is available at a discounted price.

CEU Accreditation & Credit Designation/ILNA Points

This conference has been approved by the California Board of Registered Nursing, with provider number 17163, for a total of **14 Contact Hours (7 for Friday and 7 for Saturday)**, of continuing education credit for registered nurses.

This program is approved for ILNA Points. The program content has been reviewed by the Oncology Nursing Certification Corporation (ONCC) and is acceptable for recertification points. ONCC review is only for designating content to be used for recertification points and is not for CNE accreditation. CNE programs must be formally approved for contact hours by an acceptable accreditor/approver of nursing CE to be used for recertification by ONCC. If the CNE provider fails to obtain formal approval to award contact hours by an acceptable accrediting/approval body, no information related to ONCC recertification may be used in relation to the program.

Conference Venue and Accommodations Waterfront Hilton Beach Resort, Huntington Beach, California

The 2024 Embracing Excellence in Oncology Nursing Practice conference will be held at the Waterfront Hilton Beach Resort, A Hilton Hotel located in Huntington Beach California. This oceanfront resort is a 5-minute walk from the beach, the Huntington Beach Pier and Pacific City, offering various shopping and restaurant experiences.

The Waterfront Hilton Beach Resort is conveniently located one hour from Los Angeles International Airport (LAX) and just minutes away from John Wayne Airport, Orange County (SNA). A room block has been secured for this meeting through Thursday, May 23, 2024, after which the room block will be released. Room rates for this event begin at \$379 + \$20 resort fee and taxes, per evening. Overnight guest parking is available for a reduced rate of \$38 per vehicle and daily valet parking is at a reduced rate of \$15 per vehicle. To make a room reservation, call 1-800-HILTONS and ask for the Hoag Oncology room block or book online at www.hoag.org/OncologyRooms2024 and click on the "Hotel" tab. It is recommended to book your rooms in advance as rooms are based on availability and subject to being sold out.

Educational Objectives

DAY ONE: FRIDAY, JUNE 14

- Recognize the healing power of laughter to prevent stress, burnout and build resilience in the oncology nursing profession. Identify the long-term positive health effects including improved quality of life by integrating humor and laughter as a complementary therapy in oncology care.
- Identify new FDA approved drugs/agents for cancer treatment in 2024. Recognize how new drugs/agents are given generic names, and how to gain information based on the naming system.
- Describe the treatment options for pancreatic cancer including outcomes. Explain the advantages and disadvantages of minimally invasive surgical techniques for treatment of pancreas.
- Examine the role of Pastoral/Spiritual Care in caring for and supporting the oncology patient, family, and nurse through the cancer trajectory. Discuss how spiritual care includes different faiths, belief systems and cultural traditions during illness. Differentiate the roles of a nurse and a chaplain in the spiritual care of our patients.
- Describe the current standard of care treatment for glioblastoma multiforme (GBM). Summarize the importance of the tumor microenvironment indication in the treatment of brain cancer and identify the more common brain tumors, including non-malignant tumors and their treatment.
- Explain the indications, methods of treatment, and outcomes of stereotactic radiosurgery including the Gamma Knife and Linac based radiation systems and modern surgical approaches to the treatment of glioblastoma multiforme and brain metastases. Describe alternative adjuncts of surgery such as radiofrequency ablation, and brachytherapy with gamma radiation implants and chemotherapy wafers.
- Explain what's new in the ONS Safe Handling Guidelines 4th Edition. Describe how the enforcement of USP 800 will impact Oncology Nursing. List 3 strategies to protect yourself from hazardous drugs.

DAY TWO: SATURDAY, JUNE 15

- Summarize the diagnosis and treatment of colon, pancreatic and hepatobiliary cancers. Describe how clinical research trials determine the treatment of GI Cancers, leading to better outcomes and survival.
- Describe the risk of hypersensitivity reactions (HSR) and cytokine release syndrome (CRS) for specific classes of chemotherapy and biotherapy agents. Identify strategies to prevent HSR and CRS and recognize signs and symptoms of HSR and CRS and understand the management.
- Identify common chemotherapy regimens used in both the inpatient and outpatient settings that require appropriate sequencing of administration. Summarize the importance of premedication, hydration, or lab requirements when administering chemotherapy. Demonstrate the calculations involved in determining the AUC dose and corrected calcium value. Discuss rationale used when selecting a chemotherapy plan. Prioritize when and how to collaborate with pharmacy when patient-specific information is needed to proceed with treatment.
- List state and federal laws that affect nursing practice and describe the four elements needed to justify a malpractice claim. Explain where to find the standard of care for RN practice and specify actions that may affect a nursing license.
- Identify three factors that medical nutritional therapy improves and two ways a registered dietitian manages cancer patients. List 3 (global) recommendations to prevent cancer and discuss and identify common misconceptions about supplements and "nutritional myths."
- Describe an overview of cancer pain management including goals and limitations. Discuss the current landscape in U.S. Cancer Pain Management Review and how cancer centers can employ ways to ensure an effective pain management program. Summarize the recent regulatory and oversight changes in the cancer pain arena.
- Describe the expected physical changes in the body during the stages of the dying process and discuss how to manage them. Able to discuss the societal, cultural, and healthcare system biases that contribute to a negative perception of death and dying. State the skills to engage in open conversations about death and dying, fostering understanding and communication during challenging times.

Program Presenters

KEYNOTE PRESENTATION

Diana Jordan

Comedian, Author,
Cancer Survivor
Motivational Speaker

Tara Seery, M.D.

Medical Director,
Hepatobiliary Cancer
Co-Director, Cellular Therapy
Hoag Family Cancer Institute

Tim Tyler, Pharm.D., F.C.S.H.P., F.H.O.P.A.

Director of Pharmacy,
Lab & Oncology Supportive Care
Desert Regional Hospital

Ronald Wolf, M.D., F.A.C.S.

Medical Director of Hepatobiliary
and Pancreas Surgery
Hoag Family Cancer Institute

Christopher Duma, M.D.

Program Director,
Brain Tumor Program
Chief of Service, Functional
Neurosurgery for the
Salsbury Family Movement
Disorders Program

Jared Forrester, M.D.

General Surgeon,
Hoag Digestive Health Institute

Bronwen Jones, M.Th.

Lead Cancer Center Chaplain,
Patient and Family
Support Program
Cedars-Sinai Health System

Simon Khagi, M.D., F.A.C.P.

Medical Director, Neuro-Oncology
Medical & Neurological Oncology
Hoag Family Cancer Institute

Teresa Knoop, M.S.N., R.N., A.O.C.N.®

Oncology Nurse Consultant

Denise Lohman, M.P.H., R.D., C.S.O.

Dietitian
Hoag Family Cancer Center

Robert Louis, M.D., F.A.A.N.S.

Empower360 Endowed Chair
in Skull Base and Minimally
Invasive Neurosurgery
Program Director, Pituitary
& Skull Base Surgery Program
Pickup Family
Neuroscience Institute

Carol Mack, Ph.D., J.D., R.N.

Oncology Nurse Consultant
Retired Attorney and Associate
Professor of Health Science
at CSUCI

Julie McFadden, B.S.N, R.N.

Hospice/Palliative Nurse
and Online Educator
Hospice Nurse Julie

MiKaela Olsen, D.N.P., A.P.R.N.-C.N.S., A.O.C.N.S.®, F.A.A.N.

Clinical Program Director,
Oncology
Johns Hopkins Hospital
and Johns Hopkins Health System

Chris Salvatori, Pharm.D.

Oncology Manager, Pharmacy
Hoag Family Cancer Institute

Program Agenda

DAY 1 – FRIDAY, JUNE 14, 2024

7 – 7:45 a.m.

Registration, Breakfast & Exhibits

7:45 – 8 a.m.

Welcome & Program Overview

8 – 9 a.m.

**The Healing Power of Laughter:
Nourishing the Nurse within You
and Building Resilience**

Diana Jordan

9 – 10 a.m.

**Pharmacology Update 2024:
What's New in Cancer Treatment**

Teresa Knoop, M.S.N., R.N., A.O.C.N.®

10 – 10:20 a.m.

Morning Break

10:20 – 11:20 a.m.

**Modern Multimodality Treatment
of Pancreas Cancer: Getting Better
and Getting a Bit Easier**

Ronald Wolf, M.D., F.A.C.S.

Jared Forrester, M.D.

11:20 a.m. – 12:20 p.m.

**Honoring the Spiritual Lives
of Our Cancer Patients**

Bronwen Jones, M.Th.

12:20 – 1:35 p.m.

Lunch and Exhibits

1:35 – 2:35 p.m.

**The Long and Winding Road:
Neuro-Oncology in the 21st Century**

Simon Khagi, M.D., F.A.C.P.

2:35 – 3:35 p.m.

**Brain Tumors: Bringing Innovation and
Technology to the Patient Experience**

Christopher Duma, M.D.

Robert Louis, M.D. F.A.A.N.S.

3:35 – 3:55 p.m.

Afternoon Break

3:55 – 4:55 p.m.

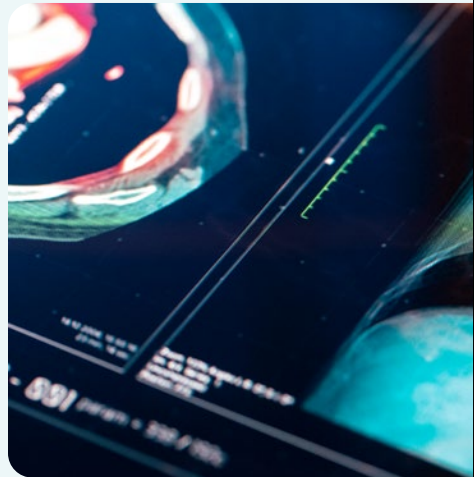

**Empowering Nurses to Take Charge of
Their Safety: A Review and Introduction
to the 4th Edition of the ONS Safe
Handling of Hazardous Drug Guidelines**

MiKaela Olsen, D.N.P., A.P.R.N.-C.N.S.,

A.O.C.N.S.®, F.A.A.N.S.

4:55 – 5:10 p.m.

Program Adjournment

DAY 2 – SATURDAY, JUNE 15, 2024

7 – 7:45 a.m.

Registration, Breakfast & Exhibits

7:45 – 8 a.m.

Welcome & Program Overview

8 – 9 a.m.

The 4-1-1 on Treating Colon, Pancreatic, and Hepatobiliary Cancers: New Research, New Hope

Tara Seery, M.D.

9 – 10 a.m.

TBD

10 – 10:30 a.m.

Morning Break

10:30 – 11:30 a.m.

Principles of Chemotherapy Sequencing and Oncologic Pharmacotherapy

Chris Salvatori, Pharm.D.

11:30 – 12:30 p.m.

Legal Issues in Oncology Nursing: Staying on the Right side of the Law

Carol Mack, R.N., Ph.D., J.D.

12:30 – 1:30 p.m.

Lunch

1:30 – 2:30 p.m.

The Oncology Dietitian: Optimizing Nutritional Status During Treatment and Beyond

Denise Lohman, M.P.H., R.D., C.S.O.

2:30 – 3:30 p.m.

Painless Updates in Cancer Pain Management: from Opiophobia to Epidemic

Tim Tyler, Pharm.D.

3:30 – 4:30 p.m.

Nothing To Fear: Demystifying Death and Dying

Julie McFadden, B.S.N., R.N.

4:30 – 4:45 p.m.

Closing Remarks

REGISTRATION INFORMATION

19TH ANNUAL

Hoag Embracing Excellence in Oncology Nursing Practice

JUNE 14 - 15, 2024 • THE WATERFRONT BEACH RESORT, A HILTON HOTEL
HUNTINGTON BEACH, CALIFORNIA

Register online at www.hoag.org/CME. Go to “Register for Conferences & Symposiums”. Hoag staff should use their Hoag credential sign-in information to register. Hoag staff registrations are complimentary with a refundable credit card deposit. Hoag Staff credit card deposits will be refunded after the attendance is verified at the symposium.

- Virtual Registration (1-day): **\$225.00**
- Virtual Registration (2-day): **\$325.00**
- In-person Registration (1-day): **\$275.00**
- In-person Registration (2-day): **\$400.00**

CANCELLATIONS AND CHANGES TO REGISTRATIONS

A 3% administrative fee will apply to all cancellations and registration changes. Written cancellations will be accepted until May 31, 2024. No refunds will be given for cancellations received after May 31, 2024. Refunds will not be honored for no-shows. All non-cancelled registration change requests to existing registrations must be sent to hoag.events@hoag.org on or before Monday, June 10, 2024. Onsite changes will not be honored (i.e., in-person transfer to virtual.)

WHO SHOULD ATTEND

This conference is intended for oncology and radiation oncology nurses as well as others with an interest in recent advances in the treatment of solid tumors and hematologic malignancies are welcome to attend. Students enrolled in a registered nursing program who have interest in oncology are invited to attend this program.

FAMILY/GUEST ATTENDANCE POLICY

All conference activities are exclusively reserved for paid conference attendees. Children and family members are not allowed to attend meal functions or permitted in the general session room.
