THURSDAY

SEPTEMBER 29, 2022

8:00AM - 3:45PM

7 CONTACT HOURS

PROVIDER APPROVED BY THE CALIFORNIA BOARD OF REGISTERED NURSING,
PROVIDER NUMBER 17163, FOR 7 CONTACT HOURS.

DESCRIPTION & OBJECTIVES

Program Description

This one-day conference is designed to provide the registered nurse with:

- Current healthcare trends in patient care
- Innovative and informative updates specific to nursing care in the hospital setting

Program Objectives

Upon completion of this course, participants will be able to:

- Describe trends in weight loss management and surgery
- Describe nursing implications when caring for a bariatric patient
- Identify cultural relevance in palliative and end of life care
- Describe the forces shaping the future of nursing and health care
- Develop skills to lead change and positively impact the culture of health care
- Discuss current trends in caring for patients with opioid addiction
- List current trends in the future of healthcare technology and nursing implication
- Understand the evolution of nursing innovation in the digital age
- Verbalize how artificial intelligence and innovative care models can be used to address the looming nursing shortage

REGISTRATION

Please Visit Hoag's Continuing Medical Education website to register for this Conference!
