Showa University Koto Toyosu Hospital, Tokyo Japan  
Emeritus President of JGES (Japan Gastroenterological  
Endoscopy Society)

Live cases, presentations, and interactive panels will feature global thought leaders in Digestive Health.

This program is designed for gastroenterologists, general surgeons, physician extenders, primary care providers, and nurses and will include sessions focused on foregut, motility, pancreaticobiliary, bariatrics, hepatology, IBD and colorectal topics.

There will also be a half day of interactive “hands-on” experience of new endoscopic technologies (Sept 28).
